## TOPICS OF INTEREST / COMMISSIONERS REPORTS –

Mayor Oldham stated Long Beach Township will be opening the Boulevard in certain places to install water meters for the Township; he noted the Borough supplies water to half of Loveladies, and Township pays a percentage of the Borough's water budget based on how much water they use. He said that North Beach will be replacing sewer pipes which will be a mess.

## PRIVILEGE OF THE FLOOR –

Joe Gieger, E. 77<sup>th</sup> Street, said he spoke with the Borough Engineer who informed him the Borough needs to put money in place for the streetscape project. A discussion was held regarding the project, including the type of curbing, the survey, sidewalk removal, the need for design completion, a plan for both sides of the Boulevard, and the safety priority of people crossing the Boulevard from parking lots.

Craig Coddington, 80<sup>th</sup> Street, asked the status of the beach street signs. The Mayor stated it is a good idea, but there has not been further discussion; he stated the Borough should have the street signs up by the summer, but he said he would like additional signs, such as animals to help children identify locations. Kathy Ries, Cedars Ave., stated this was discussed at the last HCTA meeting. A discussion continued of what can be used to designate the streets, and it was suggested to create a committee to work on the designs.
