These projects help the Borough's CRS rating. A copy of the letter is attached and available for viewing in the office of the Municipal Clerk.

The Mayor stated the Boulevard project is underway; drainage work is being done by Lafayette and paving is being done by AE Stone; notifications regarding lane closures and access to properties will be given by the contractors; the Cedars Avenue drainage and paving project was awarded to Shore Connections which will begin soon.

Steve Sepanak asked about work being done on the Camden corner; the Mayor said the County will probably do a cut curb on that corner; the area around the concrete vault for traffic lights will be restored.
